

2014 Corporate Fact Sheet

Company Background

Founded in 1864, Kuner's® is a retail food brand selling a wide variety of canned and jarred ingredient beans, refried beans, vegetables and tomatoes.

Acquired in 1984 by privately held Faribault Foods, Kuner's has built market research and product and recipe development into their core strengths and have formulated innovative new products, with superior quality and value, as judged by consumers.

Faribault Foods is the leading branded ingredient bean supplier west of the Mississippi and a national market leader in branded, private label and contract manufacturing. In addition to Kuner's, brands include Butter Kernel®, ChilliMan®, Mrs. Grimes®, Pasta Select®, S&W® Beans, KC Masterpiece® Baked Beans, Sun Vista®, Luck's®, Kern's® and Pride.
