Kuner's of Colorado Celebrates 150 years by holding a cyber chili cook-off starting October 1

Denver, CO. – September 23, 2014 – Kuner's of Colorado, a Faribault Foods brand, is celebrating 150 years as a trusted name at household tables serving a variety of wholesome canned bean and vegetable products in the Rocky Mountain states. October is National Chili Month, and Kuner's of Colorado is celebrating by hosting a cyber chili cook-off.

It's easy to enter: starting October 1, simply go to kurersfoods.com and click on KUNER'S CYBER CHILI COOK-OFF. Complete the entry form including your recipe name, ingredients, preparation instructions, contact info and high-resolution photo of your signature chili. Each submitted recipe should serve at least four and feature at least one Kuner's product.

Have more than one great chili recipe? No problem. Submit up to five recipes. Each recipe entry – with photo and contact information – must be entered separately. All submissions will be entered in a drawing and 10 lucky winners will receive Kuner's-For-A-Year! – 52 free cans of Kuner's products. Deadline is midnight Mountain Time on 12/31/14. See official rules online.

For more information on the family of high-quality bean and vegetable products from Kuner's, visit kurersfoods.com

Faribault Foods is a privately held food manufacturer, specializing in canned beans, vegetables, chili, soup, and pasta as well as pouched beverages.
